Accessories & Options

Why Seatorium™?

Experience

We have years of experience solving problems and making projects alive all around the world. We have exported our products to over 57 countries and finished projects from A to Z in 24 different countries.

Exported Countries: 57
Finished Projects: 3.200
Current Employee: 278
2017 Net Income: \$58.800.000,00

Innovation

Seatorium does not limit its clients when it comes to choices such as types and colours of the fabrics or leather upholstery for your chair.

Even your company logo can be placed on your chair in a stylish subtle way so that more attention can be drawn to your corporate identity.

Reinvestment In R&D

Thanks to our visionary plan, we have been spending nearly %55 of profit for the research and development of our current items. Thanks to this, Seatorium is fully qualified to develop tailor-made projects, exactly according to every customer needs.

Made in Turkey – 100%

Our production facilities are located in Bursa (Very close to Istanbul – Turkey), where we manufacture all our seats completely, 100%. We have more than 15.000 m2 equipped with state-of-the-art technology and all necessary technical resources to develop every type of project from the beginning to the very end: design and product development, technical solutions, manufacturing, installation and maintenance.

Respect For The Environment

Seatorium manufactures its seats by respecting the environment in all production processes rigorously. These production methods imply a strategic added value and a firm commitment to eco-sustainable development. This philosophy, together with the company's innovative nature, has issued in materials totally recyclable.
